You should be taken to a page that shows all your recorded Zoom sessions. Find the session that you are intending for the Graduate School Exhibition and click on its title.

The screenshot shows the PennState My Media interface. At the top, there is a dark blue header with the PennState logo and navigation links: Home, My Media (underlined), Channels, Learning Resources, and News and Updates. Below the header, the page title "My Media" is displayed. A search bar labeled "Search My Media" is present. Below the search bar, there are filter and sorting options: "Filters >", "Search In: All Fields", and "Sort By: Creation Date - Descending". The main content area shows a list of media items. The first item is a video recording with a thumbnail showing a blue and green abstract scene. The title of the video is "[Redacted] Zoom Meeting", which is highlighted with a red rectangular box. Below the title, the video details are shown: "Zoom Recording ID: 94783476155 UUID: 2HwQGFzFQyumERAVSsulrw== Meeting Time: 202... Show More". A "Private" button is visible below the details. At the bottom, it says "Owner • on February 3rd, 2021" with icons for likes, plays, and comments, all showing a count of 0. An orange arrow points from the text on the left to the red box around the video title.
