Congratulations on your upcoming graduation! We look forward to celebrating with you on December 16, 2023, at 4:30 p.m. in the Bryce Jordan Center.

Please read below for important information regarding:

- Reserving your seat at the commencement ceremony
- Reviewing your digital slide that will be shown at your commencement ceremony and available online
- Additional ceremony details
- MarchingOrder instructions

**Reserve your seat at the commencement ceremony**
If you have not already, please [reserve your seat for commencement](#).

**Review your digital slide**
For those attending the ceremony, you will cross the stage platform while your name is announced and a digital slide (with your name, degree, and major) is shown. All graduating students, regardless of attendance at the ceremony, will have a digital slide available (with audio of a professional nomenclator announcing the graduate’s name) for viewing on commencement.psu.edu/commencement-day/.

The content for your digital slide is available for review in the MarchingOrder portal until noon Friday, November 17 (see the end of this email for login instructions). Before this deadline, we encourage you to:

- Verify your name, degree, and major
- Update the pre-populated phonetic spelling of your name
- Upload an audio recording of your name for the nomenclator, if interested

Please note: Reviewing this information in MarchingOrder is encouraged, but it is not a requirement to attend your commencement ceremony.

**Additional ceremony details**
If you will be attending Commencement in the fall, the deadline [order regalia](#) is October 31. Please see the [Graduate School's Commencement webpage](#) for important day-of-ceremony details, including
procedures, parking, and more.
